# KARNIKA

THE COSMIC NYMPH

When the gods and demons churned the ocean to bring-forth Amrit - the elixir of life, divine beings emerged from the ocean's depth. One among them was Apsara Karnika - the celestial maiden of exquisite beauty and an alluring charm who carried treasures and pleasures to reward and indulge, those engaged in the hard labour.

In the modern context, the journey of our lives is nothing but the churning between 'Karma' & 'Karya' or 'Duty' & 'Labour'. Bringing in the much-needed respite and reward is Karnika - our premium ship curated to indulge and entertain you.

A time aboard this celestial beauty is an experience you truly deserve.

## CLEAN WAVES INITIATIVE

### AS MUCH AS WE CARE FOR OUR GUESTS

We at Zen Cruises Pvt. Ltd. take our environmental responsibilities very seriously and are committed to reducing our environmental impact.

We are dedicated to preserving the marine environment in which, we operate. Hence, we believe it is our duty to introduce environmental practices, which set a high standard of excellence and responsibility. To support our claim, we have developed an environmental management system with an aim to get it independently certified to ISO 14001, which is the most widely recognised global standard for improving environmental performance.

We recognise that without appropriate treatment the waste generated onboard our ships, together with the fuel and other products we use to transport, feed, entertain and take care of you could have an impact on the environment. Our waste treatment facilities ensure that all wastewater is appropriately managed to minimise its impact upon the oceans. All general waste is treated onboard to reduce its volume prior to landing ashore, and wherever possible general waste is recycled.

We are reducing our air emissions through the implementation of fuel efficiency measures, including improved hull coatings, low energy lamps, increased recirculation of waste heat and improved efficiency in air conditioning, and we continue to explore new technologies. Through these measures and other initiatives, Zen Cruises will ensure that we help preserve our environment for future generations.

Any Guest with a condition that may affect his fitness to travel is strongly encouraged to check with their personal physician regarding their ability to travel. It is advised that travel by sea involves certain risks and hazards including motion of the vessel by sea conditions, and the delay and/or impossibility of immediate evacuation from the vessel in the event of a medical emergency depending on the vessel's location and prevailing sea and

weather conditions. The Company shall have no liability and shall owe no full or partial refund in the event the Guest is refused passage or disembarked. #### **Infant and minor policy**

Infants aged 2 years on the date of sailing or under sail free with their parents and/ or guardians. Guests are required to be 21 years of age or above (on embarkation day) to travel on their own. Guests not conforming to this policy will result in denied boarding and no compensation will be provided at embarkation. For additional minor age restriction guidelines while onboard, please check all other policies. Guests under the age of 21 must be booked in a stateroom with an adult who is 21 years or older. A parent or legal guardian must accompany Guests under the age of 21 and must be booked in the same or adjacent stateroom. The only situations where minors (under 21) can be berthed without an adult (21 or older) in a stateroom are when at least one parent is sailing or when the stateroom Guests are legally married. Acceptable proof will be required. These restrictions may be waived at our discretion, where applicable. All non-family children under the age of 18 must have a notarized letter from one parent or guardian authorizing sailing with the family, plus authorization to allow emergency medical treatment and any other permissions necessary while onboard. Grandparents or any other relatives cannot be a substitute for a parent. All school groups or college groups traveling with a chaperone must have waivers pre-signed. These waivers can be given to the Group Leader or Travel Partner from their Groups Agent at Jalesh Cruises. Please note that an individual's age on the date of departure determines his or her status for the entire cruise vacation.

#### **Travel insurance**

The Company strongly recommends that Guests obtain travel insurance to help protect against certain losses. We may offer plans through third party insurance companies that provide coverage for Trip Cancellation, Baggage, Emergency Assistance and Transportation, Medical and Dental coverage and more. However, such third party insurance companies are merely independent parties and Guests are liable to solicit them at their own risk and costs. Guest should be aware that some forms of routine health insurance do not protect Guests when outside of their usual location of residence.

#### **Travel packages and shore excursions**

Shore excursions may be booked online prior to sailing up until the Pre-Sail cut-off time as notified on our website. After the online Pre-Sail bookings, the remaining inventory, if available, will be made available on the departure day onboard the ship.
